### Growing Old

Everybody whispers

Print is to small close up not big enough at distance.

You tend to use more 4 letter words—what when where

When you thought of something when you get there it is gone.

But old is good in some things: old songs, old movies,  
and best of all old friends.

Gusher

Happy Birthday!

### Renewal

With springtime comes renewal  
In many, many ways,  
The retreating snows of Winter  
Make way for rainy days.  
Sunshine warms the sleeping earth,  
It stirs beneath God's hand;  
And suddenly new life appears,  
Brought forth at His command.  
Flowers wakened from their slumber  
With beauty are revealed;  
Colors bright from Nature's palette  
No longer are concealed.  
Our spirits, too, can be renewed  
As these miracles we see,  
From the hand of the Creator,  
Sent down to you and me.  
We praise Him for this gift of life  
Renewed from year to year,  
And thank Him for his promise  
That He is always near.

### A Place Remembered

In the shadows of our mind  
Lives a place of long ago  
That time will never change  
Because we loved it so.  
A country lane less travel worn,  
The house all trimmed in white,  
Twilight song of peepers  
On a tranquil Summer's night.  
The flowers bloomed eternal  
With a sky of endless blue;  
It was a piece of Heaven  
Where all our dreams came true.  
Visions of our loved ones,  
They live and always will--  
For no one ever dies in  
The place that time stands still.  
It was a special sanctum  
From where we left to roam;  
A hideaway of yesterday--  
Our hearts still call it home.
