

TULSA AREA PRIME TIMERS PRIME NEWS

SEPTEMBER 2018 Volume 26 Issue 1

President's Note

Greetings, Tulsa Area Prime Timers!

I hope that everyone is doing fine.
And I hope that you are enjoying the late summer hot weather.

Our August meeting was very interesting. We discussed our 25th anniversary dinner which is coming up in September.
Afterwards we had cakes and sweet snacks and talked.

Remember our monthly events: Dine Out, Lunch Bunch, Movie Night, and Breakfast at Duffy's.

Check the newsletter calendar for dates and locations, then join us for fun and friendship.

See you at our next meeting on September 11th.

Hug a Prime Timer today!

Love, Jim MacCatain.

Blame big Oil or Big Government

Can't you imagine the pandemonium that would occur as several drivers of SUVs with 30-gallon tanks went to pay their \$24 after filling up with \$0.80 gasoline, only to be told that the bill was actually \$36?

The potential bedlam would be worse in the UK.

Consider the driver of a car with a 15-gallon tank filling up at a station advertising gasoline for \$0.14 per liter. Instead of paying \$7.96 to fill up, the bill, including tax would total \$39.75.

Happy Birthday!

Norman Henley Sept 15

Want to Make a Difference?

Tulsa Area Prime Timers you have carried the club to its 25th anniversary milestone. The Board and myself want to heartfelt thanks to you. The four members who were there from the beginning. An especial Wesley and Omar, our founders, their determination to bring Woody's mission to Tulsa. Thanks to our two charter members Bob Glahn and Chuck Cagle to bring the mission of TAPT forward to 2018.

We have had many gay men to become members, experience great fellowship, than moved on to greater things. 37 members have died. Their lives had blessed TAPT unmeasurably. I thank them for giving us grit to see Tulsa Area Prime Timers into next 25 years.

Thanks Your editor John Madigan

Prime Timers enjoying summer at the lake

A farmer near Dubbo got pulled over by a Highway Patrol Officer for speeding. The officer started to lecture the farmer about his speeding, and in general began to throw his weight around to try to make the farmer feel uncomfortable. Finally, the officer got around to writing out the ticket. As he was doing that, he kept swatting at some flies that were buzzing around his head. The farmer said, "Having some problem with circle flies there, are ya?" The officer stopped writing the ticket and said, "Well yeah, if that's what they are. I never heard of circle flies." So the farmer says, "Well, circle flies are common on farms. See, they're called circle flies because they're almost always found circling around the back end of a horse." The officer says, "Oh," and goes back to writing the ticket. Then after a minute, he stops and says, "Are you trying to call me a horse's ass?" The farmer says, "Oh no, officer. I have too much respect for law enforcement and police officers to even think about calling you a horse's ass." The officer says, "Well that's a good thing," and goes back to writing the ticket. After a long pause, the farmer says, "Hard to fool them flies though".

You Have a Light

You have a light
That shines in you..
In happy times
And sadness, too.
Although we cannot
See inside,
Our light shines bright;
It cannot hide.
No matter what you're going through;
This brilliance is a part of you.
In times we feel no one could care...
The gentle light will still be there.
Although we never
World have guessed
Our light shines bright like all the rest.
