Today, Yesterday and Tomorrow
There are two days about which nobody should ever
worry, and these are yesterday and tomorrow.
So with only today to cope with, the burden becomes
lighter, for nobody ever stumbled under the burden of
today.
It is only when they add yesterdays and tomorrows to
the load they are carrying, that it becomes unbearable.

Happy Birthday!

Being Kind Says a Lot

When you're kind, it says a lot
 Without uttering a single sound;
 A smile, a friendly nod, an unexpected gift
 Shows goodness in the heart abounds.
 An encouraging note, going the extra mile,
 A card of good wishes, and a caring touch
 Makes life seem so sunny and worthwhile
 As others, too, feel loved so very much.
 Happiness shines when we're reaching out
 To others in deep need;
 It lifts our spirit, heart, and soul
 When we plant a kindness seed!
 If we offer a helping hand along life's way,
 It can paint a rainbow in a sky of stormy
 blue
 Just maybe we'll see another prosper
 Because of a simple deed that we could do!

Prayer for United States

God, please watch over America,
 Keep the glory in the stars,
 The boldness in the stripes,
 Please guard this land of ours.

God, watch over America,
 Keep us safe day and night,
 With freedoms proudly displayed,
 Like an eagle in his flight.

God, please watch over America,
 And with our liberties impart
 A new patriotic spirit
 In each and every loyal heart.
